

LC-L4 Candidate Initial Learning Statement

Candidate's name: Date:

1. Course goals and expectations:

What do I expect the course to provide for me?

What personal and learning goals can I set for myself?

What do I need to achieve these goals?

What strengths am I bringing to the course?

How can I help myself make the most of this learning opportunity?

2. Course concerns:

What am I concerned about regarding the course?

How might I hinder or even sabotage my own learning and achievement on the course?

How can I overcome these challenges?

3. The group:

What do I expect the group to provide for each other and for me? What would I like the group to provide for each other and for me?

What am I prepared to contribute in order to help the group develop?

How will I get my needs met in the group?

4. Learning:

What do I expect the course tutors to provide for my learning? What would I like them to provide for my learning?

Are there any other concerns I have concerning the learning requirements?

How will I manage and overcome my concerns?

What influences from the past may help or hinder my learning? What are my particular blocks to learning?

5. Motivation and commitment:

Why am I beginning training on this programme?

At present, what is my motivation and commitment towards the course?

How will I maintain my motivation?
