

## TCSU-L6 Supervision Log

Your Supervision Record should map to your Supervisory Supervision record<sup>1</sup>.

Date	Type of supervision group/individual In-person/ online/telephone	Hours claimed	Client*	Focus and outcome

\* Ensure client confidentiality by anonymising your clients' details.

---

<sup>1</sup> You are required to have clinical supervision for all their supervisory work – a minimum of 5 hours during the length of the course. You also need to ensure that your supervision arrangements are approved by the tutor. It is a requirement for you to maintain a record of your supervision hours. Your supervisory supervisor is required to complete a report on their work.
